

**Subject:** 5th Conference of the German - Greek Academy for Biomedical Research, 16-18 JUNE 2006

Dear Anastasia Panagopoulou, coming back to Japan and contact you first of all I wish to thank you and Penelope again for the perfect and professional organization of the conference. I will contact you in the future again for any conferences I am going to organize and I will recommend you and your travel agency to others who are going to organize conferences.

Best wishes. PKaranis
