Dear Spiros, Niki and Nicolas,

I hope you get some well-deserved peace and quiet, if only for a few days. Your help has been invaluable and absolutely brilliant, thank you so much again. Without you all the whole event would have been impossible - no kidding. I presume it takes a special kind of personality to do what you all do, but if I may say so, all Greek people I met and talked to are absolutely friendly, helpful and kind, and this is not some remark to be nice about it, but I believe that is your country's greatest asset and riches.

My Greek experience is still quite limited, but for viewing the Acropolis from a lot of different angles, but it is still something special. Take care and if you ever end up over here, feel free! I am not much of a cook, but I do server some good drinks!

Cheers, Karin
