Dear Georgia

Re: International Health Conference: Recent Advances in Clinical Medicine, Public Health and Health Policy: 20-22 September 2007, Athens, Greece

I am writing to express my thanks to Erasmus for the excellent organisation of our recent conference in Athens. Everything ran very smoothly and we are very grateful to the staff of Erasmus for their professionalism and hard work prior and during the event. We appreciate how much time your staff spent on producing this conference and we were delighted with the success of this event.

I hope that we might have the opportunity to work with you again in the future.

With best regards

Yours sincerely

Professor George D. Kitas, MD, PhD, FRCP
Associate International Director (Europe)
