Dear Georgia

With this letter I wish to express my gratitude and appreciation for your efforts at the recent conference on "Expert in stone disease 2012" in Dubai. As the Chairman of the meeting I had numerous feed backs from delegates, support staff and exhibitors alike. Without exception, everybody praised the meeting due to it's near to perfect organisation. This started from the choice of the venue through to the catering, the AV equipment, the setting up of the venue and the social programme. I believe you have done an extraordinary job here and I will be happy to work with you in the future on similar projects.

Again, please accept my sincere thanks and forward this also to all your staff which did not spare effort to make this meeting a great success.

Yours sincerely

Mr. Noor N.P. Buchholz,
