Subject: Re: PGD workshop 3 & 4 October 2011

Dear Mr. Lianos and Mrs Vassilopoulou,

I would like to thank you and all the staff from Erasmus who were involved in supporting the extremely successful ESHRE-Eurogentest workshop that we held in Athens last week. I apologize for not getting back to you earlier, but after the Athens meeting I left for another meeting in Barcelona.

I look forward to further collaboration with you for possible future seminars organized here in Athens.

Best regards,

Dr. Jan Traeger-Synodinos, DPhil (Oxon),
Assistant Professor of Genetics,
Department of Medical Genetics,
University of Athens,
Choremeio Research Laboratory,
St. Sophia's Children's Hospital,
Athens 11527,
