Dear Ms Tsatsou,

Re: 5th World Congress for Neuroendoscopy of the International Federation for Neuroendoscopy, Athens, Greece, 30th May - 3rd June 2009

On behalf of the International Federation for Neuroendoscopy I would like to thank you for the excellent organisation of the above international conference. The Pre-Congress Cadaveric Workshop was a resounding success. The Congress was very well organised. The venue of the Hotel Grande Bretagne impressed our international guests. All organisational aspects of the Congress, scientific and social run very well. All participants were impressed by your smooth and efficient organisation. I received many congratulating emails for the organisation of the Congress.

I hope we will be able to collaborate in the future in other scientific meetings of the Federation.

Yours sincerely,

S. Sgouros, MD, FRCS(SN)
